Statement dated 24 October 1994 by the representatives of parliamentarian parties of the Assembly of the Republic of Bosnia and Herzegovina

The parliamentarian political parties of the Assembly of the Republic of Bosnia and Herzegovina express their deep appreciation, results notwithstanding, for United Nations efforts towards achieving peace in our region. They also express their sincere gratitude for the overwhelming efforts of the international community in delivering humanitarian aid, including the crucial "air drops", that have enabled hundreds of thousands of civilians to survive. We avail ourselves of this opportunity to convey, on behalf of the members and citizens of the internationally recognized Republic of Bosnia and Herzegovina, our most sincere appreciation and gratitude to the members of the international community.

In this respect, the conduct of Lieutenant General Sir Michael Rose, Commander of the United Nations Protection Force (UNPROFOR) in Bosnia and Herzegovina, in diverting the attention and resolve of the free world from punishing criminal acts and fascism to peripheral issues is unacceptable.

His request for the withdrawal of the forces of the Army of the Republic of Bosnia and Herzegovina, while simultaneously tolerating the threats of Serb aggressors against the only overland communication route between Sarajevo and the rest of the world, is yet another manifestation of such behaviour.

It is clear that units of the Bosnian Army have started their withdrawal. Yet, nothing has been done to secure the route near Hrasnica, which is constantly exposed to the aggressor's artillery fire.

The parliamentarian political parties request that the Assembly of the Republic of Bosnia and Herzegovina hold a dialogue on relations between the Republic of Bosnia and Herzegovina and UNPROFOR, based upon the consistent implementation of all United Nations resolutions and decisions on Bosnia and Herzegovina. Furthermore, all efforts should be taken to bring to the knowledge of the international community the wide range of flagrant violations of our laws as well as international law by some members of the UNPROFOR forces.

We therefore request that Lieutenant General Sir Michael Rose relinquish his current post and duties. We request an objective and impartial commander who would carry out the implementation of United Nations resolutions on the

ground, an individual who would serve legitimate United Nations interests, rather than the interests of his/her national Government.

THE SITUATION IN THE MIDDLE EAST

Letter dated 24 October 1994 from the Chargé d'affaires a.i. of the Permanent Mission of Germany to the United Nations addressed to the Secretary-General

In my capacity as representative of the European Union, I have the honour to transmit to you herewith a declaration of the European Union on recent terrorist violence in Israel, issued on 20 October 1994.

STATEMENT BY THE PRESIDENCY ON BEHALF OF THE EUROPEAN UNION ON RECENT TERRORIST VIOLENCE IN ISRAEL DATED 20 OCTOBER 1994

The European Union expresses its profound horror and outrage at the bomb attack in the centre of Tel Aviv on 19 October 1994, for which the Union understands Hamas has claimed responsibility. The European Union is appalled at the loss of life and injuries among bus passengers and passers-by.

The European Union strongly condemns all acts of violence. But this attack and other recent violence committed by terrorists in the name of Hamas, including the kidnap and murder of Corporal Nachshon Wachsman and the gun attack in West Jerusalem on 9 October resulting in a number of deaths and injuries, demonstrate that their principal aim is the destruction of the peace process. The European Union extends its condolences to the families of all the recent victims of such violence. The perpetrators of all these atrocities must be brought to justice.

The European Union is convinced that those who seek to destroy the peace process must not be allowed to succeed. The best way of ensuring this is through the reinforcement of the collective determination of the regional parties and the international community to make the process a success.

The four acceding States associate themselves with this statement.

THE SITUATION IN CENTRAL AMERICA: PROCEDURES FOR THE ESTABLISHMENT OF A FIRM AND LASTING PEACE AND PROGRESS IN FASHIONING A REGION OF PEACE, FREEDOM, DEMOCRACY AND DEVELOPMENT

Letter dated 24 October 1994 from the Permanent Representative of Belize to the United Nations addressed to the Secretary-General

I have the honour to refer to a letter to you, dated 12 October 1994, from the Permanent Representative of Guatemala to the United Nations (A/49/554). Therein, certain statements are made concerning the attitude of the Government of Guatemala regarding Belize's borders.

I have been instructed to express the dissatisfaction of the Government of Belize with the fact that the Government of Guatemala should question the universal recognition of the inviolability of Belize's borders. Any such questioning is inconsistent with the principles governing the peaceful settlement of disputes explicitly affirmed in that letter and set forth in Article 2 and Chapter VI of the Charter of the United Nations. It is also inconsistent with the accepted international norms of sovereignty, territorial integrity and self-determination.

The Government of Belize reaffirms all of its territorial rights as well- and long-established, as recognized in numerous bilateral and multilateral documents and acts and as reiterated in the letter to you, dated 22 March 1994, from the Hon. Dean O. Barrow, Minister for Foreign Affairs of Belize (A/49/112).

I should be grateful if you would have this letter circulated as a document of the General Assembly at its forty-ninth session, under item 42.
